IM101

HSK Simple Shaper

Aluminum Material Fence

Ideal Machine's IM101 Simple Shapers are set up with aluminum material fences to guide material.

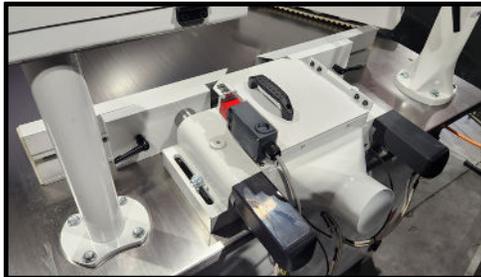

HSK Quick Change

HSK quick change tool release allows you to change profiles with the push of a button. Changeovers take less than 1 minute.

PLC Touchscreen Controls

Use the PLC touchscreen controls to digitally adjust settings on your machine for fast and easy changes.

Individually Adjustable Fences

The aluminum rear fences on the IM101 Shapers are individually adjustable.

Solid Polished Steel Table Top

The solid steel table tops on woodworking machine from Ideal Machine ensure accurate and repeatable material processing.
